In accordance with the Declaration, Summerglen Property Owners Association, Inc., a Texas non-profit corporation (the "Association") was created to administer the terms and provisions of the Declaration. Unless the Declaration or applicable law expressly provides otherwise, the Association acts through a majority of its board of directors (the "Board"). The Association is empowered to enforce the covenants, conditions and restrictions of the Declaration, Certificate, Bylaws, other instruments filed of record, and any rules and regulations promulgated by the Association pursuant to the Declaration, as adopted and amended from time to time (collectively, the "Restrictions"), including the obligation of Owners to pay assessments pursuant to the terms and provisions of the Declaration and the obligations of the Owners to compensate the Association for costs incurred by the Association for enforcing violations of the Restrictions.

The Board hereby adopts this Enforcement and Fine Policy to establish equitable policies and procedures for the levy of fines within the Association in compliance with the Sections 209.006 and 209.0061 of the Texas Property Code. All capitalized terms in this Policy shall have the same meanings as that ascribed to them in the Declaration.

NOW, THEREFORE, this Policy replaces and supersedes any previously recorded or implemented policy that addresses the subjects contained herein, if any, adopted by the Association.

Section 1. Types of Violations. Section 209.006 of the Texas Property Code refers to curable violations, uncurable violations, and violations which are considered a threat to public health or safety. The types of violations are addressed below; more than one may exist at one time depending on the circumstances surrounding the violation(s).

1.1. **Curable Violations** – Without limitation, the Texas Property Code lists the following as examples of curable violations:

- a. a parking violation;
- b. a maintenance violation;
- c. the failure to construct improvements or modifications in accordance with approved plans and specifications; and
- d. an ongoing noise violation.

1.2. **Uncurable Violation** – A violation that has occurred but is not a continuous action or a condition capable of being remedied by affirmative action. Without limitation, the Texas Property Code lists the following as examples of uncurable violations:

- a. an act constituting a threat to health or safety;
- b. discharging fireworks;
- c. a noise violation that is not ongoing; and
- d. holding a garage sale or other event prohibited by the dedicatory instruments.

1.3. **Violation that is a Threat to Public Health or Safety** – Per the Texas Property Code, a violation that could materially affect the physical health or safety of an ordinary resident.

Section 2. Enforcement – Curable Violations That Do Not Pose a Threat to Public Health or Safety. If a violation is curable and does not pose a threat to public health or safety, the Owner will be given a reasonable period to cure the violation, as provided below. The enforcement procedure for this type of violation is as follows:

2.1 **Courtesy Letter (Optional)** – A courtesy letter may be sent to the Owner describing the violation and requesting that the Owner cure the violation within a stated time period.

2.2 **Violation Letter (Optional)** – Depending on the severity of the violation and/or the history of prior violations on the Owner's Residential Lot, the violation letter may be the first letter sent to the Owner. If sent, the violation letter may include:

- a. a description of the violation;
- b. the required curative action;
- c. the deadline to cure the violation; and
- d. notice that if the violation is not corrected within the time provided or if there is a subsequent violation of the same restriction, a fine may be imposed or other enforcement action may be initiated.

2.3. **Demand Letter** – The demand letter must be sent by certified mail or by any method of mailing for which evidence of mailing is provided by the United States Postal Service or a common carrier and may be emailed to the Owner at the email address registered with the Association. The demand letter must be sent to the Owner's last known address as shown in the records of the Association. Depending on the severity of the violation and/or the history of prior violations on the Owner's Lot, the demand letter

may be the first letter sent (rather than a courtesy letter and/or a violation letter), as determined by the Board in its sole and absolute discretion.

2.4. **Content of the Demand Letter** - The demand letter will include the following:

- a. a description of the violation that is the basis for the enforcement action, suspension action, charge, or fine and any amount due the Association;
- b. notice that the Owner is entitled to a reasonable period to cure the violation and avoid the enforcement action, suspension, charge or fine;
- c. a specific date, which must be a reasonable period given the nature of the violation, by which the Owner must cure the violation. If the Owner cures the violation before the date specified, a fine may not be assessed for the violation;
- d. a notice that the Owner may request a hearing before the Board, such request to be made in writing on or before the 30th day after the date the notice was mailed to the Owner; and
- e. notice that the Owner may have special rights or relief related to the enforcement action under federal law, including the Servicemembers Civil Relief Act (50 U.S.C. App. Section 501 *et seq.*), if the Owner is serving on active military duty.

2.5. **Hearing Requested** - If a hearing is properly requested by the Owner, the hearing will be held not later than the 30th day after the date the Association receives the Owner's written request for a hearing. Notification of the date, time and place of the hearing will be sent not later than the 10th day before the hearing. If a postponement of the hearing is requested by either the Association or the Owner, a postponement must be granted for a period of not more than ten (10) days. Any additional postponement may be granted by agreement of the parties.

2.6. **Hearing Not Requested** - If a hearing is not properly requested by the Owner, the violation must be cured within the time frame set forth in the demand letter. Fines, suspension of the right to use the Common Area, and other remedies available to the Association may be implemented after the expiration of the thirty (30) day time frame provided to the Owner to request a hearing.

Section 3. Enforcement - Uncurable Violations and/or Violations that Pose a Threat to Public Health or Safety. The demand letter must be sent by certified mail or by any method of mailing for which evidence of mailing is provided by the United States Postal Service or a common carrier and may be emailed to the Owner at the email address registered with the Association. The demand letter must be sent to the Owner's last known address as shown in the Association's records.

3.1. **Content of the Demand Letter** - The demand letter will include the following:

- a. a description of the violation that is the basis for the enforcement action, suspension action, charge, or fine and any amount due the Association;

- b. notice that the Owner may request a hearing before the Board, such request to be made in writing on or before the 30th day after the date the notice was mailed to the Owner; and
- c. notice that Owner may have special rights or relief related to the enforcement action under federal law, including the Servicemembers Civil Relief Act (50 U.S.C. App. Section 501 et seq.), if the Owner is serving on active military duty.

3.2 Hearing Requested – If a hearing is properly requested by the Owner, the hearing must be held not later than the 30th day after the date the Association receives the Owner's written request for a hearing. Notification of the date, time and place of the hearing will be sent not later than the 10th day before the hearing. If a postponement of the hearing is requested by either the Association or the Owner, a postponement must be granted for a period of not more than ten (10) days. Any additional postponement may be granted by agreement of the parties.

3.3 Hearing Not Requested – If a hearing is not properly requested by the Owner, fines, suspension of the right to use the Common Area, and other remedies available to the Association may be implemented after mailing the demand letter.

Section 4. Remedies and Subsequent Violations. Regardless of whether the Owner requests a hearing, fines, suspension of the right to use the Common Area, and other remedies available to the Association may be implemented after mailing the demand letter. The Owner is liable for, and the Association may collect reimbursement of, reasonable attorneys' fees and other reasonable costs, fees, or other charges incurred by the Association. Additionally, the Association may, but is not obligated to, exercise any self-help remedies set forth in the dedicatory instruments. Further, the right to use the Common Area may be suspended. A notice of violation may also be recorded in the real property records should the violation not be cured within the specified time frame. The Association may file a suit for the recovery of damages and/or injunctive relief.

If an Owner has been given notice in accordance with Section 209.006 of the Texas Property Code in the preceding six (6) month period, notice is not required for the recurrence of the same or a similar violation. The Association may impose fines or suspend the Owner's right to use the Common Area without first sending another demand for compliance.

Section 5. Fines. Subject to the notice provisions set forth in this Policy, as applicable, the Association may impose reasonable monetary fines against an Owner in accordance with the below schedule until the violation is cured if of a curable nature. The Board reserves the right to adjust fines based upon the egregiousness of the violation. The general categories of restrictive covenant violations for which the Association may assess fines includes, but is not limited to the following:

General Category of Violations	Fine Amount (1 st , 2 nd , 3 rd , subsequent)
Aesthetics	\$50/\$100/\$200/\$300
Use (Lot or Common Area)	\$50/\$100/\$200/\$300
Lawn and Landscaping Maintenance	\$50/\$100/\$200/\$300
Improvement Maintenance	\$50/\$100/\$200/\$300
Vehicles	\$50/\$100/\$200/\$300
Golf Cart Policy Violation	\$250
Animals	\$50/\$100/\$200/\$300

Fireworks	\$250/occurrence
Nuisance	\$50/\$100/\$200/\$300
Other Violations (as supported by the dedicatory instruments)	\$50/\$100/\$200/\$300
Installation of Unapproved Improvement	\$500/occurrence or \$500/day
Uncurable Violations or Violations that are a Threat to Public Health and Safety	\$500/occurrence or \$500/day

The table above is not intended to limit or narrow the categories of violations for which there may be a fine. To the extent a violation is supported by the dedicatory instruments, said violation may be finable in the category of "Other Violations (as supported by the dedicatory instruments)". Any fine levied by the Association is the personal obligation of the Owner. The Board of Directors of the Association may adopt and modify the schedule of fines for various types of violations from time to time.

Section 6. Board Hearings. If an Owner is entitled to an opportunity to cure a violation pursuant to Section 209.007 of the Texas Property Code, the Owner has the right to submit a written request for a hearing to discuss and verify facts and resolve the matter in issue before the Board.

6.1 The Board Hearing shall be held no later than the thirtieth (30th) day after the date the Board receives the Owner's request for a Board Hearing. The Board or the Owner may request a postponement and, if requested, a postponement shall be granted for a period of not more than ten (10) days. Notwithstanding the foregoing, the Board Hearing may be scheduled outside of these parameters by agreement of the parties.

6.2 The Board shall provide a Hearing Notice setting forth the date, time, and place of the Board Hearing, to the Owner not later than ten (10) days before the date of the Board Hearing. The Board Hearing may be held by virtual or telephonic means, in which case the access information for the virtual or telephonic Board Hearing shall be the "place" of the Board Hearing for purposes of the Notice.

6.3 The Board shall include with the Notice, a Hearing Packet containing all documents, photographs, and communications relating to the matter which the Board intends to introduce at the Board Hearing.

6.4 If the Board fails to provide the Hearing Packet to the Owner at least ten (10) days before the Board Hearing, the Owner is entitled to an automatic fifteen (15) day postponement of the Board Hearing.

6.5 Owners are expected to provide copies of any documentary evidence the Owner intends to introduce at the Board Hearing to the Board no later than five (5) days before the Board Hearing.

6.6 During the Board Hearing, a member of the Board or the Association's designated representative shall first present the Association's case against the Owner. An Owner, or an Owner's designated representative is then entitled to present the Owner's information and issues relevant to the dispute. The Board may ask questions of the Owner or designated representative.

6.7 The Board is not required to deliberate or reach a determination during the Board Hearing. Rather, all information gleaned from the Board Hearing may be taken under advisement by the Board. The Association or its managing agent may inform the

Owner of the Board's decision in writing within thirty (30) days of the date of the hearing. If there is no written communication from the Association or the managing agent within this timeframe, the violation will remain standing.

6.8 The Board may set a time limit for the Board Hearing, to be determined at the Board's sole and absolute discretion, taking into account factors including but not limited to the complexity of the issues and the number of exhibits. The Board may communicate the time limitation in any manner to the Owner and will make every effort to communicate the time limitation to the Owner in advance of the date of the hearing. The time limitation will be strictly adhered to and is intended to strike a balance between: (i) allowing the Association ample time to present its case; (ii) allowing the Owner ample time to present the Owner's response; (iii) the Board's finite amount of time available to consider such issues.

6.9 All parties participating in the Board Hearing are expected to treat each other professionally and respectfully. The Board reserves the right to terminate a Board Hearing if the Board, in its sole and absolute discretion, determines the Board Hearing has become unproductive and/or contentious. The Board, in its sole and absolute discretion, reserves the right to reconvene any Board Hearing that is terminated pursuant to this Section 6.9.

6.10 Either party may make an audio recording of the Board Hearing.

6.11 This Policy does not apply to instances where the Association files a suit seeking a temporary restraining order, or temporary injunctive relief, or files a suit that includes foreclosure as a cause of action. Further, this Policy does not apply to a temporary suspension of a person's right to use Common Areas that is the result of a violation that occurred in a Common Area and involved a significant and immediate risk of harm to others in the subdivision. The temporary suspension is effective until the Board makes a final determination on the suspension action after following the procedures prescribed by this Policy.

6.12 Owners are entitled to one hearing unless the Board in its sole and absolute discretion agrees to allow additional hearings.

6.13 In accordance with Section 209.007(e) of the Code, an Owner or the Board may use alternative dispute resolution services.
